MULLIGANS

Tuesday - Sunday 7AM - Close (405) 685-7751

6501 S. Country Club Dr, Oklahoma City, OK 73159

Welcome to Mulligans at Hidden Trails Country Club. We hope you enjoy whatever you choose from our menu, and have a relaxing and refreshing experience. Golfers will instantly recognize the term "Mulligan". By all accounts, the term originated with a Canadian golfer (Mr. Mulligan) who was so disappointed in his first shot that he teed up a second ball and started over. Hence the phrase - "Taking a Mulligan". Its not uncommon to see members and guests here following in Mr. Mulligan's footsteps. At Hidden Trails, though, the term has broader application. In 2015, the club (then called Willow Creek) was on the brink of financial disaster. It was feared the doors might have to close permanently. The original shareholders and others who had financial stakes in the property partnered with the current ownership to revive the club - to give it a "Mulligan" and a new start. As a result, we can sit in this beautiful room and look out at one of Oklahoma's finest golf courses. The club continues to grow and improve, and has a wonderful future. Quite a turnaround! On a more profound scale, many of the staff, management, ownership and members of Hidden Trails have received a "Mulligan" in life. Having tried being in control of our own lives and failing to find lasting joy, love and peace of mind, we yielded control to our Creator and accepted the sacrifice of Christ on the cross as our only claim to a right relationship with God. As a result, we live a life that is not perfect, but has a rock solid foundation that helps us keep things in proper perspective. We are very thankful that we were allowed a "do over".
 "Therefore, if any man be in Christ, he is a new creature: old things are passed away; behold, all things are become new." - 2 Corinthians 5:17
